EXPERIENCE

Sports Editor – Ste. Genevieve Herald, Sainte Genevieve, Missouri July 2014-June 2020

- Attended sporting events for two local high schools for a circulation of 4,500 homes and businesses
- Wrote sports stories and took photographs for up to 10 high school sports teams
- Interviewed coaches and athletes to create sports stories
- Interviewed coaches regarding upcoming sports season three times a year
- Covered multiple sporting events during a single shift and wrote reports on each game
- Paginated sports pages, proofread content in sports, news and community pages on a weekly basis

Staff Writer/Sports Editor – Wynne Progress and East Arkansas News-Leader, Wynne, Arkansas January 2012-July 2014

- Visited schools and government offices of four different cities for stories every week for the East Arkansas News-Leader
- Wrote news and sports stories and took photographs for both newspapers
- Paginated sports pages for both newspapers on a weekly basis
- Contributed a column to the sports pages for the Wynne Progress
- Covered news in five counties in eastern Arkansas with only a two-person editorial staff
